You maintain control

With the Automatic Giving Plan, you have the same freedom that you have writing a check. By sending us written notice, you may at any time:

Cancel your donation

Change your donation amount

Change bank accounts

This program is strictly voluntary. If you feel uncomfortable submitting donations in this way, please feel free to send monthly donations through the mail.

Please read the terms of agreement, complete the enrollment form, and mail the form along with your voided check in the envelope provided.

Thank you!

Terms of Agreement

This authorization to debit my account in the amount indicated shall be the same as if I had personally signed a check to Mission Data International (M-DAT). A record of my donation will appear on my regular monthly bank statement and I will receive a monthly receipt from M-DAT for tax purposes. This agreement remains in effect *until I notify Mission Data International in writing that I wish to terminate this agreement, which I may do any time by mail, fax or e-mail.* To cancel the transfer, notification must be received by M-DAT in such a time and manner as to afford M-DAT's bank a reasonable opportunity to act on it.
